

## Newsletter 2/2013

### I. NEW WEBSHOP OF SCS M<sup>2</sup> ENGINEERING

[www.scs-m2.com](http://www.scs-m2.com)

and

[www.geniusracing.de](http://www.geniusracing.de)

we asked all current (or new) costumers and dealers...

**PLEASE SIGN IN**

The screenshot shows the homepage of SCS M<sup>2</sup> Engineering. The header includes the SCS M<sup>2</sup> Engineering logo and the Genius Racing logo, which is labeled as an 'Exclusive partner Germany'. Below the header is a navigation menu with links for 'Startseite', 'Impressum', 'Kontakt', 'AGB', 'Widerrufrecht', and 'Datenschutz'. The main content area is divided into three columns. The left column contains a search bar and a list of product categories. The middle column contains a welcome message and information about the company's products and services. The right column contains a shopping cart section, a login section, and a registration section. The registration section has a red circle around the 'Registrieren' button, with a red arrow pointing to it.

Visit our Websites [www.scs-m2.de](http://www.scs-m2.de) (old)  
[www.scs-m2.com](http://www.scs-m2.com) [www.geniusracing.de](http://www.geniusracing.de) (new)

due to our new webshop we cannot copy existing customer details into our system.

All products in one webshop:

- SCS M2 Engineering parts
- GENIUS Racing parts (cars and spareparts)  
(GERMAN EXCLUSIVE DEALER)

Old website is still online under [www.scs-m2.de](http://www.scs-m2.de) until the new webshop is 100% completed.

## 2. Aluminium Rear Wing Profile

- Another unique development from SCS M<sup>2</sup>
- Extremely solid and light due to hollow profile
- Technical details:
  - o Leg. EN-AW 6060 T6
  - o Elastic limit 0,2 = 160 MPa
  - o Tensile strength 210 MPa
- Well-known laminar airfoil, identical to carbon wing profile, therefore high performance for low cost. Precision work.
- Available in different length
  - o Touring car 240mm
  - o Formula 1 270mm
  - o Porsche 350mm
  - o Customer size on request
- Available in different colours (will be limited...)
  - o Raw aluminium
  - o Eloxadize colour red
  - o Eloxadize colour black
  - o Eloxadize colour gold
  - o Eloxadize colour titanium grey
- 32,00€ customer price (TC profile only)
- set prices will follow soon, ready to delivery middle of May 2013
